Public Meeting and Public Hearing Information

Requirements for Appeal

Persons are advised that if they wish to appeal any decision made at a meeting/hearing, they will need a record of the proceedings; and for such purpose, they may need to insure that a verbatim transcript of the meeting is made, which record includes the testimony and evidence upon which the appeal is made.

It is not the responsibility of the Secretary to provide the above-referenced verbatim record. The Secretary will provide an audio recording of the meeting, upon request and payment for the materials used for the recording.

Public Input

Persons wishing to speak during any Meeting or Public Hearing should try to complete a Citizen Comment Request Card at the entrance of the meeting room and submit the card to the Secretary to the Board. During each session, the Chair will call for Public Input at the appropriate times. The Board wishes to receive public input on all matters set for discussion on the agenda and on relevant topics that are not on the agenda. When recognized by the Chair and called to the podium, speakers should give their name and address for the record.

Persons may speak on an agenda item when the Board has finished their discussion on that item and prior to the vote. To speak on a non-agenda item, speakers will be called during the "General Remarks from the Audience" section of the agenda.

Please note that the Board reserves the right to adjust the time allotted to each speaker as the Chair deems proper to allow for meaningful input and a fair chance to be heard and to allow the Board fair time to undertake its duties and obligations.

When is the appropriate time to address my agenda item at a meeting?

When your non-agenda or agenda item comes up and our Chairperson call for Public Input, that means that the Board desires to take "public input". This is the time to get up and speak. While we understand that some of you might be nervous to speak in public, please note that every effort will be made to help you feel comfortable. When called to the podium, please come to the podium and try to speak so that your input can be heard by the entire Board as well as by the other persons present. Please give your name and address for the record and feel proud that you have participated in "government in the sunshine!"

REPORTS:

1. **COMMISSION:** Commissioner Schear stated that he purchased popcorn through his grandson's fundraiser and he brought bags to each of the three fire stations.

Commissioner David Ardman thanked Chief Burton and Finance Director Martin for their efforts in offering such a smooth transition for the new Fire Chief and Finance Director and wished them much success moving forward. Commissioner Gardella and Chair Bruni shared his sentiments. All Commissioners agreed. Commissioner Schear stated that everyone is welcome to gather together to say goodbye to both of them at Indian Rocks Beach City Hall on December 3rd from 12:30 p.m. until 3:30 p.m.

2. ATTORNEY: Attorney Jeff Albinson stated that, regarding a previously discussed employment issue involving a recently promoted employee, the District now has a fully signed agreement and the process is almost complete, at which time it will become public record and will be able to be discussed a bit more freely. He noted that the employee was demoted and the agreement will not cost the District any cash payout. Mr. Albinson added that an EEOC claim which stemmed from the same situation is still open but confidential and has been reported to the District's insurance carrier.

3. CHIEF'S REPORT: Chief Burton thanked the Commission for offering the time and resources to work toward such a thorough transition.

Regarding the aforementioned demotion by Mr. Albinson, Chief Burton stated that Lieutenant David Karpinecz has been promoted to the rank of District Chief. He added that, due to the short notice, the promotion will be recognized at the December meeting.

Chief Burton stated that he is pleased that Jim Terry was able to administer Chief Davidson's Oath of Office, as, not only is he a personal long-time friend, but added that the Terry family also has a long-standing history with both the fire department and in Indian Rocks Beach.

Chief Burton discussed that the activities over the last few weeks have been focused on the transitions taking place, and that he and Chief Davidson have been working together on numerous items, as well as going out to meet the leaders in the community to begin fostering strong relationships. He stated that Assistant Chief Mortellite has been very involved in assisting in the transition as well, and has also often been covering for Chief Burton while he's been tied up. Chief Burton stated that Mr. Martin and Mrs. Brooks have been diligently working on activities to ensure a smooth transition as well.

Chief Davidson recognized Ms. Fugate for her efforts in assisting him since the beginning of the process. He also thanked Mr. Martin and discussed how impressed he is with his background and knowledge, and added that he feels Mrs. Brooks could not be a better replacement. Chief Davidson thanked Chief Burton for everything he has done regarding a smooth transition, as well as for his service to the District.

ACTION ITEMS:

21-26 District Administrator Position

Discussion: Chief Burton stated this is a new position, but not an additional position. He explained that a lot of work has been done updating the District’s job descriptions, and in updating the Executive Assistant position and conducting a thorough inventory of the tasks completed by Ms. Fugate, he stated that the job classification no longer seemed appropriate. He explained that the job description and associated tasks have grown exponentially, so he is recommending that the current Executive Assistant position be upgraded to District Administrator, and that the pay range be increased by 10%. The Commissioners agreed that the change was appropriate and well-deserved.

A motion to approve the upgrade of the Executive Assistant position to District Administrator.

MOTION: COMMISSIONER ARDMAN SECOND: COMMISSIONER SCHEAR

All in favor, motion passed unanimously.

There being no further business to come before the Board, the meeting was adjourned in due form at 6:41 p.m.
